### COURSE VARIATION

The circuit has been reconfigured during the 2017 race, and the new surface is still considered a challenge for drivers. The circuit has been reconfigured with several changes, which have made it more challenging for drivers to push the limits of their cars and their performance. The new track layout is more technical and has a higher level of difficulty.

### The challenge has been made

more difficult for drivers. The new surface is still considered a challenge for drivers. The circuit has been reconfigured with several changes, which have made it more challenging for drivers to push the limits of their cars and their performance. The new track layout is more technical and has a higher level of difficulty.
